Dear Sir:

In response to the Office Action dated July 27, 2007, please amend the application as follows:

In the Claims:

4. (Four times amended) A device for work piece milling on a woodworking tool having a cutting portion, the woodworking tool chosen from the group consisting of a wood shaper, a router table and a table saw, the woodworking tool allowing work piece movement on the woodworking tool through the cutting portion in a first direction, the device comprising:

- a. an indexing system comprising:
